1. **Stipend Portion: Award Set-Up**

The stipend portion of the award will be set up through the Host Institution’s Office of Research Services. To set up the account, the Office of Research Services requires a copy of the MSFHR Award Detail Notification letter, a copy of which is sent electronically by MSFHR to the Office of Research Services at the Host Institutions.

2. **Stipend Portion: Award Payments**

Award payments are made to the Host Institution on a quarterly basis via wire-transfers; payment schedules for the Award Recipient are determined by the Host Institution. The Host Institution is also responsible for any tax deductions taken off the Award Recipient’s Post-Doctoral Fellowship Award. MSFHR does not pay benefits.

3. **Research and Travel Portion: Award Set-Up**

The research and travel portion of the award is normally set up through the Office of Research Services in an account under the Award Recipient’s primary supervisor’s name. Check with your Host Institution’s Office of Research Services for details about setting up an account.

4. **Research and Travel Portion: Award Payments and Usage**

The research and travel allowance portion of the award is paid on a quarterly basis and is held in the post-doctoral fellow’s primary supervisor’s research account. All expenses must be approved by the Award Recipient’s primary supervisor and funds must be used by the Award Recipient. For reimbursement, Award Recipients are subject to the travel and expenses reimbursement policies of their Host Institution.

Any unspent research and travel funds at year-end can be carried over into the subsequent year of the award. Only expenses that are incurred during the award period can be claimed against the research allowance. All receipts must be submitted to the primary supervisor within three months of the official award termination date, at which time the finance department of the Host Institution will issue a final financial statement to MSFHR. Any unspent funds must be returned to MSFHR immediately.

*Note: Research and travel allowance funds may not be used while a post-doctoral fellow award is on hold.*

5. **Taxation of MSFHR Research Trainee Awards**

MSFHR Research Trainee – Post-Doctoral Fellowship Awards are administered through Host Institutions. Host Institutions determine the appropriate tax treatment for the payment of awards.
Questions pertaining to tax issues should be directed to the Host Institution administering award payments.

6. **Research and Travel Allowance: Eligible Expenses**

The research and travel allowance is provided for expenses that are directly related to a post-doctoral fellow’s research project only.
