BC HEALTH SYSTEM PRIORITIES

Is your current program of research related to any of the following BC health system priority areas?	
1. Primary and community care	Secondary
2. Services for patients with complex medical conditions and/or frail patients (including dementia)	Secondary
3. Mental health and/or substance use	Secondary
4. Surgical services (including perioperative services)	Secondary
5. Rural and remote health care services	Secondary
Is your current program of research related to Indigenous health?	
1. Indigenous health (including First Nations health)	NotRelated
Briefly describe how your program of research addresses the BC health system priority area(s).	Briefly describe how your program of research addresses the BC health system priority area(s). Character Limit: 2000 characters

CAREER INTERRUPTIONS

1. Have you experienced any career interruptions?	No
Career Interruption 1	
2. Career Interruption 1 Start Date	
3. Career Interruption 1 End Date	
4. Career Interruption 1 Description	
5. Career Interruption 1 Duration, in months	
Career Interruption 2	
6. Career Interruption 2 Start Date	
7. Career Interruption 2 End Date

ADDITIONAL INFORMATION

Role in Healthcare

Describe your role in the BC healthcare system and how you are actively involved in patient care or health services delivery within the scope of practice of your health profession.

Character Limit: 1250 characters

Research Career Development

Describe succinctly how this award will help realize your long-term goals as an independent investigator and what you expect to achieve at the end of the award term.

Character Limit: 1250 characters

Activities and Contributions

This section should include descriptions of your professional and research activities and contributions. Provide one or more examples of how your work has led to a change in policy and/or practice.

Character Limit: 2500 characters

Mentorship and/or Continuing Research Training

Please identify any individuals who will serve as mentors or guides during the course of this research award. Describe how you will establish relationships with these individuals, and what roles they will play in guiding your research. Describe any means of continuing research education or training you will undertake related to your field of research.

Character Limit: 2500 Characters

Grant ID: 17480
Applicant: Tenth Tester
Host Institution: MSFHR-DO NOT USE
Competition: 2018 Health Professional-Investigator Program
Task: Complete Full Application (HP-I)
Submitted: 9/27/2017 2:47:24 PM

Research Environment

Describe how the research environment is relevant and appropriate for the proposed research. Include the type and amount of support and resources available to successfully carry out the research (e.g. material and human support).

Character Limit: 2500 characters

KT Science

If the single research project and/or the program of research is fully focused on KT science, please provide a brief statement on how it aligns with MSFHR's definition of KT science.

If not related directly to KT Science, please type N/A.

Character Limit: 1250 characters

SAMPLE

BUDGET

- List details on costs for all human resources (including the principal applicant) for years 1-3 that will be supported by the HP-I Award.
- Excluding the principal applicant, for each researcher included as a budget line, please provide a description of their role, relevant expertise and experience, and the rationale for their inclusion in the associated research project within the final column.
- The yearly total must NOT exceed \$90,000 and the total budget over 3 years must NOT exceed \$270,000.
- To add more lines, please insert rows in the respective sections.

Note: Expenses already funded by another grant (MSFHR-funded or otherwise) cannot be deferred to an MSFHR HP-I Award.

Name of Researcher	Year 1 (\$)	Year 2 (\$)	Year 3 (\$)	1) Position, rate and period of employment or % of time based on FTE 2) Justification
YEARLY TOTAL	\$ -	\$ -	\$ -	
GRAND TOTAL	\$ -	\$ -	\$ -
