Letter of Support from Team Member's Organization

STATE OF NEW YORK
EXECUTIVE CHAMBER
ALBANY 12224

GEORGE E. PATAKI
GOVERNOR

Dear Ms. Evert:

Thank you for informing me of your efforts to create a national day to honor siblings on April 10, 1997.

The family has always been the cornerstone of American society. Our families nurture, preserve and pass on to each succeeding generation the values we share and cherish. We must always remember that the strength of families is vital to the strength of our communities, state and nation.

Siblings make an important contribution to shaping the unique experiences which affect us as individuals and as family members throughout our lives. Each family's unique personal history deserves to be celebrated, cherished and perpetuated for the generations to follow.

Best wishes to the Siblings Day Committee as you call attention to the reminder that our brothers and sisters are important to us and that we should give them special tribute and recognition throughout the year.

Very truly yours,

George E. Pataki
