Competition profile

* Competition information

Competition name

Weblink to competition
guidelines

* Please select the competition granting organization from the dropdown menu. If your competition granting organization is not listed there, please select "other" and specify the name of the organization.

* When is the **full application deadline**?

Date

* When is the anticipated date for **notice of decision**?

Date

* When is the anticipated **funding start date**?

Date

MSFHR match funding application

Eligibility

* 1. Do you, the BC-based applicant, hold an appointment at a BC institution that has a memorandum of understanding with MSFHR?

Yes

No

* 2. In the competition guidelines of the granting organization, is securing match funding a requirement for this application?

Yes

No

* 3. Will MSFHR funds and the equivalent match funds be used in BC?

(e.g. if a researcher is requesting MSFHR funding of \$100,000, then at least \$200,000 must be used in BC, minimum \$100,000 from the granting organization and the \$100,000 from MSFHR).

Yes

No

* 4. Will your research activities work towards a demonstrable benefit to the health of British Columbians by addressing one or more of the following priority areas (please select all that apply):

Note: This list includes BC's five health system priorities as well as two additional areas of priority (Indigenous health and health system performance and sustainability) highlighted in MSFHR's partnership strategy, which governs our match funding program.

- Primary and community health care
- Patients with complex medical conditions and/or frail patients (including dementia)
- Mental health and/or substance use
- Rural and remote health care services
- Surgical care and related services (including perioperative services)
- Indigenous health
- Health system performance and sustainability
- None of the above

Eligibility

* Which BC institution do you currently hold an appointment at?

MSFHR match funding application

Funding request

Please answer the following questions for the amount of match funds you are requesting:

* What is the amount of match funds you are requesting from MSFHR for this award (\$ CAD)?

* What is the total amount of funds you are requesting from the competition granting organization (\$ CAD)?

* Please provide a list of other sources of funding and/or in-kind support sought or secured to date, if applicable.

Note: If no additional funding has been secured to date, please indicate your plans.
