### Other Appointment

Please select type of appointment from drop-down menu above

### Salary Support
Is the applicant currently in (or at the time of the award, will the applicant be in) a tenured or tenure-track position?

Yes

Use of Salary Support

Please provide a brief explanation of how the funds from MSFHR will be utilized. If MSFHR funds are to be used for the applicant’s salary, please provide a description of how the freed-up funds from their institutional salary line will be used to support the applicant’s research program and the impact this will have on their research and career.

If Yes to Salary Support question:
Use of Salary Support: Please provide a brief explanation of how the funds from MSFHR will be utilized. If MSFHR funds are to be used for the applicant’s salary, please provide a description of how the freed-up funds from their institutional salary line will be used to support the applicant’s research program and the impact this will have on their research and career.

If No to Salary Support question:
Support for the Applicant post-MSFHR Funding: Please describe the department’s plan for the applicant’s salary support and further development beyond the term of the HP-I award.

Institutional Support to the Applicant

Please describe additional resources available to the applicant (e.g. salary, infrastructure, administrative support, human resources, mentorship, thought leadership) not including funds from the MSFHR award. For mentorship, be sure to highlight the support the applicant will receive to help enhance their research skills and regularly maintain knowledge to advance their research area.

2500 characters

Other Responsibilities of the Applicant

Please describe the non-research activities that the applicant is expected to engage in (e.g. teaching, clinical service, administrative work, corporate involvement, service on committees and boards, community service).

2500 characters

Applicant's Contribution
Please describe the applicant’s current or potential contribution to the department and/or the host institution. Include research interactions between the applicant and their colleagues and other research programs, the nature of the association, contribution to the goals and strategic direction of the department and/or host institution.
