

Third Party Name: Second Tester
Date Submitted: 03/15/2022 12:20 PM
Application ID: HPI-2022-2807

Please note that Department Heads' and Deans' deadline to submit their forms is **Monday, June 13, 2022, one week before the full application deadline.** This year, applicants will be able to **view the contents of the Department Head and Dean forms** in their ApplyNet accounts. The earlier Department Heads' and Deans' deadline ensures that applicants will have an opportunity to view the forms and discuss with their department heads.

Confirmation of Appointment

Does the applicant have a current faculty appointment at your institution, or if successful in receiving this Health Research BC Health Professional-Investigator award, will they have a faculty appointment in place by the award start date (April 1, 2023)?

Yes

Protected Time

Does the applicant currently have at least 50% (equivalent to a minimum of 20 hours per week) protected time for research activities?

No

Please provide a brief explanation of how the HP-I award will be used to ensure that the applicant receives the required minimum 50% (equivalent to a minimum of 20 hours per week) protected time.

(Only appears if the answer to the question above is "No")

Type of Appointment

Please indicate the type of appointment the applicant currently holds (or will hold) with your department.

Clinical Assistant Professor

Salary Support

Does the applicant currently have (or at the time of the award start date, will the applicant have) existing salary support, in addition to the HP-I award?

Yes

Use of Salary Support

If the applicant already has salary in place to cover research activities by the award start date, please describe how the HP-I award funding will be used.

Please also describe how the applicant's time will be protected.

If "Yes" to "Salary Support" question above:

If the applicant already has salary in place to cover research activities by the award start date, please describe how the HP-I award funding will be used.

Please also describe how the applicant's time will be protected.

If "No" to the "Salary Support" question above:

Please describe additional resources available to the applicant (e.g. salary, infrastructure, administrative support, human resources, mentorship, thought leadership) throughout the duration of the award, not including funds from the Health Research BC award. For mentorship, be sure to highlight the support the applicant will receive to help enhance their research skills and regularly maintain knowledge to advance their research area.
